

2011 Scouting for Food & Sight

Join thousands of Scouts in South Dakota, Minnesota, and Iowa on **Saturday, October 22nd, 2011** for our annual service project, Scouting for Food & Sight. All food collected will go directly to your local food pantry, which in turn will help people in your local community. This is a great way to involve your Scouts in a community service project and showcase the Scout program in your area!

Instructions:

Pick up plastic bags at your October Roundtable meetings. Bags should be placed on doors during the week before the collection day. Scouts should pick up filled bags Saturday, October 22nd. We recommend you start picking up food at 9:00 AM. Food should be taken directly to your local food pantry. Please contact your local food pantry to arrange a drop off time. **The Lion's Club will pick up any eyeglasses that you collect with your food.**

Please remember to turn in the cut off below to order patches. *If patches aren't ordered please report the amount of food collected (# or lbs), number of volunteers (youth/adults) and hours worked to the Center for Scouting no later than Tuesday, November 1st, 2011.*

These service hours qualify for "Good Turn for America".

Please log onto <http://www.scouting.org/scoutsource/Awards/JourneyToExcellence.aspx> and record your service hours.
