

WOOD BADGE FOR THE 21st CENTURY SCHOLARSHIP APPLICATION

The Sioux Council has a scholarship fund available to help participants attend Wood Badge courses for those Scouters who might not otherwise attend due to individual financial situations.

Participants wishing to apply for this scholarship should complete this form and submit it, along with your Wood Badge course application, to the council office. This application will be treated confidentially. If the participant receives a scholarship, that amount will be deducted from the course fees. The dollar amount of the awarded scholarships, if any, is dependent upon the availability of scholarship funds. Scholarship recipients will be notified via email or phone.
