Sioux Council, Boy Scouts of America

Scout Leaders - In the event of an emergency:

- 1) There are no phone lines at most of our camp properties. Please make sure that one of your leaders is equipped with a mobile phone to be used in emergencies. You may have to move around the property to find the best mobile phone reception.
- 2) Please give the parents of your Scouts your mobile number, so that they can contact you in the event of an emergency at home.
- 3) Assign one parent at home to be the contact person for the troop. Their job is to take your call from camp and call the other parents. That way you can deal with the emergency and not have to worry about calling everyone's parent.

Parents - In the event of an emergency:

- 1) Contact your local Scout leader first using the phone number they provided. If that is unsuccessful, contact the county sheriff below.
- 2) If necessary, contact the county sheriff of the appropriate camp.
