Welcome Kyle Holt (Article for All Leaders)

Kyle joins the Sioux Council and Prairie Hills District staff on April 8, 200, as a District Executive. He will be serving in the Prairie Hills District along with Brian and Brenda.

Kyle graduated from Credbard High School in 2003. Kyle has received a BS in Political

Science and a minor in History.

Before joining the Sioux Council, Kyle served as the Director of Operations for South Dakota Right to Life for 18 months. He also acted as a lobbyist during the legislative session.

Kyle is the youngest of four children. He has two brothers and one sister, all are married. He has three nephews and one niece with another niece on the way. Kyle is engaged and will marry this Fall.

When Kyle was asked why he wanted to work for the Boy Scouts he stated, "It's an opportunity to work with an organization with a great reputation. The Boy Scouts have a positive impact on the youth involved and society as a whole. I am excited to be a part of that." Kyle believes volunteers are the heart of non-profit organizations. Their efforts are immeasurable. Kyle feels relationship building is important because everyone has the ability to make a positive impact on an organization. Understanding someone is important in finding a role with the

organization that will be most beneficial to that person.

Kyle's hobbies include watching and playing sports. He enjoys being outdoors and spending time with his family.

Please join us in welcoming him to our Prairie Hills Team.

SEEKING EAGLE BOARD MEMBERS

The Prairie Hills District Advancement Chairman is looking for your help. Mark is trying to compile a list of interested individuals (over 21) who are interested in helping our Life Scouts earn the rank of Eagle.

How? You may ask. He is putting together a list of adults that are willing to conduct Eagle Board of Reviews. At the current time, the reviews are held on the same night as Roundtable. We have held them on other nights, if there is a conflict with the scout or their unit leader. For all of those who are interested; we hope to have a brief training session on how to properly conduct the Eagle Board of Review. From the list, depending on the number of interested adults, you should not have to do very many during the year. So as the saying goes "The more the better" really will help in this case.

Please send the e-mail address/contact information of any interested adults to mhonerman@sio.midco.net, and they will be contacted by someone on the District Advancement Committee.

If you currently are helping with the Eagle Board of Review, please send your address as well for the list.

If you have any questions please feel free to e-mail Mark.

Have you turned in all your applications?
