

# Scouting for Food & Sight 2009

Join thousands of Scouts in South Dakota, Minnesota, and Iowa on **Saturday, October 24th, 2009** for our annual service project, Scouting for Food & Sight. All food collected will go directly to your local food pantry, which in turn will help people in your local community. This is a great way to involve your Scouts in a community service project and showcase the Scout program in your area!

## Instructions:

Pick up plastic bags at your October Roundtable meetings. Bags should be placed on doors during the week before the collection day. Scouts should pick up filled bags Saturday, October 24<sup>th</sup> by noon. We recommend you start picking up food at 9:00 AM. Food should be taken directly to your local food pantry. Please contact your local food pantry to arrange a drop off time. **The Lion's Club will pick up any eyeglasses that you collect with your food.**

Please remember to turn in the cut off below to order patches *and* report the amount of food collected (# or lbs), to your District Scouting for Food Chair or District Executive no later than Monday, November 2nd, 2009. If you do not plan to order patches, all you need to fill out is the top portion of the cut off and turn it in.

These service hours qualify for "Good Turn for America". Please log onto [www.goodturnforamerica.org](http://www.goodturnforamerica.org) and record your service hours.
