

WOOD BADGE FOR THE 21ST CENTURY SCHOLARSHIP APPLICATION

Sioux Council has a scholarship fund available to help participants attend Wood Badge courses. These scholarships are provided to help offset course fees to assist Scouters who otherwise might not be financially able to attend Wood Badge.

If interested in applying for the Sioux Council Wood Badge for the 21st Century scholarship funds, please complete this form and submit it, along with your Wood Badge course application, to the council office. This application will be treated confidentially and is handled independently of the Wood Badge course administration process. Awarded funds generally submitted directly to the host council, for the Wood Badge course, in lieu of payment by the applicant. The amount of the awarded scholarships, if any, are dependent upon the availability of local funds and current Wood Badge Scholarship Committee policies.
